SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **CDPH Statewide Travel Advisory**

As of 06/15/21, CDPH and the CDC recommend delaying travel until persons are fully vaccinated. For more information: [CDC Travel Guidelines](#)

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 11/02/21 at 1700 hours:

- 248,114,811 (+2,993,338) total confirmed cases.
- 5,025,069 (+49,919) total deaths.

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 11/02/21 at 1700 hours:

- 46,024,349 (+555,915) total confirmed cases.
- 745,274 (+9,226) total deaths.

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 11/02/21 at 1700 hours

- 4,671,147 (+39,985) total confirmed cases

COVID-19 Vaccines Administered – Per Vaccine Task Force as of 11/02/21 at 1700 hours

- 53,275,699 (+1,167,934) vaccines administered

- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details.

SITUATION SUMMARY

Cal OES INLAND REGION

- See Fire Activity Slides.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

Dominguez Channel Odor Event, City of Carson, Los Angeles County

Los Angeles County in coordination with the South Coast Air Quality Management District (AQMD), are addressing and monitoring reports of odors in the vicinity of Dominguez Channel.

- Los Angeles County OEM and a Public Works team are supporting the City of Carson

Proclamations

- On 10/26/21, a Proclamation of Local Emergency due to the Dominguez Channel Odor Event was received from the City of Carson.
- On 11/02/21, a Proclamation of Local Emergency was received from the County of Los Angeles for the Dominguez Channel odor event. The county is requesting a Governor's Proclamation of Emergency and CDAA.
- Additional information can be found at: <https://lacounty.gov/emergency/dominguez-channel>

Pipeline P00547 Incident 10.02.21, Orange/San Diego Counties

On 10/02/21, approximately 588 barrels (24,696 gallons) of crude oil released from an underwater pipeline into the Pacific Ocean approximately 10 miles southwest of Newport Beach, Orange County

- Release is believed to be from a 4,000-foot section of the 17.7-mile-long pipeline that was found displaced with a 13-inch split in the pipe
- On 10/02/21, the US Coast Guard activated an IMT
- Unified Command Group (UCG) established with USCG, Amplify Energy (Responsible Party), CDFW/OSPR, Orange County, and San Diego County (Cal OES supporting)
- Cal OES continues to support the UCG responding to the 10/02/21 pipeline breach affecting Orange and San Diego County beaches.

Activations

- San Diego County EOC is activated at a Level 3. Operational period: 0800-1700 hours
 - City of Carlsbad is activated at a Level 3. Operational period: 0800-1700 hours, Monday-Friday
- Orange County EOC is activated at a Level 3. Operational period: 0800-1700 hours, Monday-Friday
 - City of Newport Beach is activated at a Level 3. Operational period: 0800-1700 hours

Deployments

- 1 Cal OES Southern Region Emergency Services Coordinator deployed to ICP (Virtual)

WEATHER KEY POINTS

11/09/21 - 11/15/21

Tuesday

- A storm system will continue to impact much of northern and central California through the afternoon hours today, bringing the following impacts:
 - Gusty winds of 40 across the Sacramento Valley, while local gusts of 50-70 mph occur over the Sierra and far northern California higher elevations
 - Heavy snow above 3,000 feet over far northern California and around 5,000 to 7,000 feet across central California, creating travel impacts for some passes
 - Precipitation will wind down quickly through the afternoon and evening hours, with no major burn scar impacts anticipated

Wednesday - Monday

- Milder and drier weather will return statewide through late week and the weekend, with some periods of dense fog possible across much of the Central Valley for mid and late week
- Locally gust offshore Santa Ana winds are forecast across southern California Thursday through Saturday, with gusts of 35 to locally 55 mph
 - These winds will bring locally elevated to critical fire weather conditions

CALIFORNIA WEATHER IMPACTS

PRECIPITATION FORECAST

11/09/21 - 11/11/21

Tuesday

Wednesday

Thursday

Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms may produce locally higher rainfall amounts.

Precipitation (inches)

WEATHER OUTLOOK

11/14/21 - 11/22/21

6-10 Day Outlook (November 14 – November 18)

Temperatures

- Above normal temperatures are strongly favored statewide

Precipitation

- Below normal precipitation is favored for much of the state, with the exception of far northern and far southeast California where near normal precipitation is favored

8-14 Day Outlook (November 16 – November 22)

Temperatures

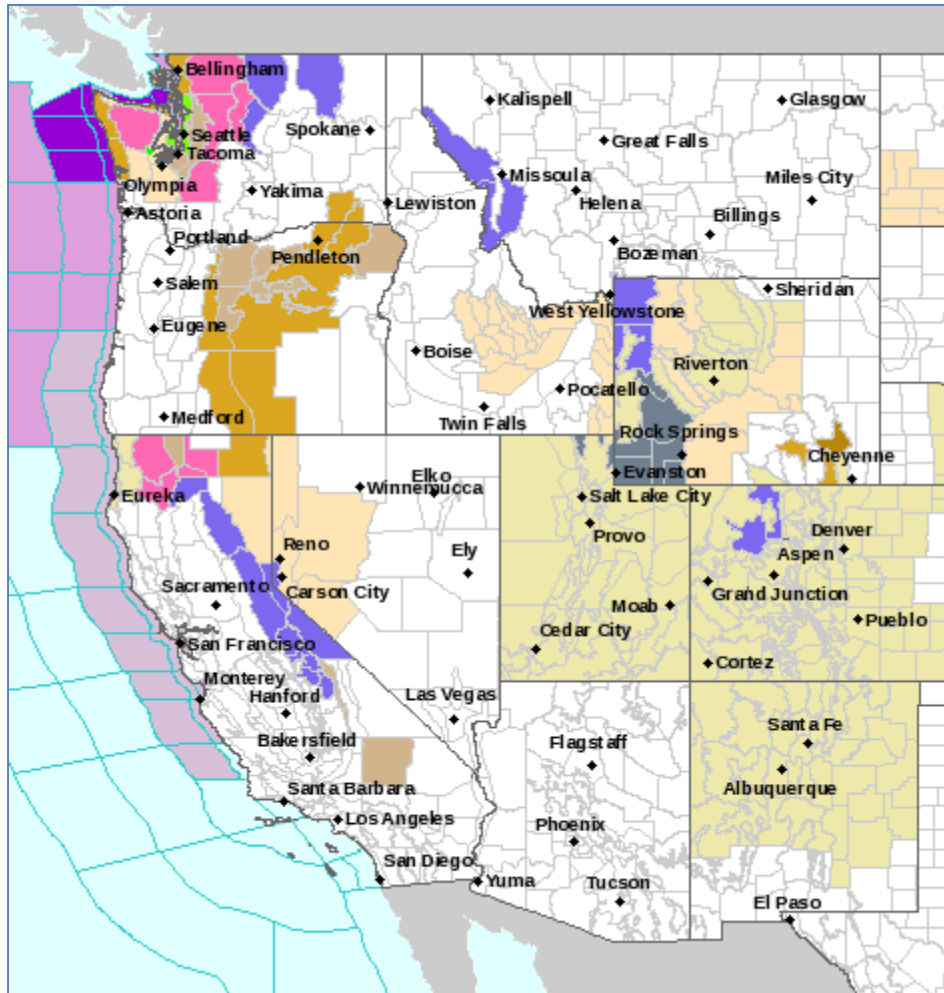

- Above normal temperatures are favored to persist statewide

Precipitation

- Below normal precipitation is favored for the majority of the state, except for far northern California where near normal precipitation is favored

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2021-LAW-74407, 11/08/21, 0100 hours:** IERCC advised of an inReach Activation at; Latitude: 36.562639 / Longitude: -118.280740 (12,000 ft). The device was on the Mt. Whitney Trail in Inyo County. The RO advised one of the hikers in the party is suffering from Hypothermia. Inyo County SAR was notified of the activation and incident. At 0210 hours, the RO advised that the bevy sack and mylar blanket was not keeping him warm and they decided to head down the trail. Inyo County advised of the change of plans. The hiker was able to self-rescue and denied medical attention. **Mission Closed**
- **2021-LAW-74401, 11/06/21, 2100 hours:** the AFRCC advised of a PLB at the listed location; 37 47.13N, -122 25.07W. These coordinates return to downtown San Francisco. This is the same PLB that was activated the night before with no resolution because it was turned off while moving around the SF area. San Francisco Police Department was sent to the location and were unable to locate anyone in distress. The beacon is still sounding. **Update: 11/07/21, 2102 hours:** the device was sounding again at a new location near Market Street and 5th Street in downtown San Francisco near large commercial buildings. **Update: 11/08/21, 0450 hours:** the device again was turned off. **Update: 11/09/21** The device has been off for over 24 hours. **Mission Closed**

Cal OES MISSION TASKINGS

Cal OES Missions

- **No mission number:** Kit_1 and HQ-15 Sonim phones deployed to Chico State for CPUC Statewide cellular data tests. Devices deployed for approximately 60-90 days. Region 3 COMC coordinating/monitoring.
- **2021-TACCOM-061621 (OCFA Testing):** Sonim Kit HQ3 assigned to OCFA to test Android phones with ATAK for fire season. ETA Return is 10/21/21. COMC monitoring. Contacted Assignee he will advise on exact date of return for the resource.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
